

Pacific Healthcare acquires Compounding Pharmacy

- One of only 2 in Singapore
- Increasing demand for individualized medication
- Business is scalable and exportable

Singapore, 17 April 2008 – Mainboard-listed Pacific Healthcare Holdings Ltd (“PacHealth”, “the Group” or “太平保健”), a leading Singapore provider of integrated, multi-disciplinary specialist healthcare services, today announced the acquisition of Customized Health Solutions Pte Ltd (“CHS”), a Singapore incorporated company.

Customized Health Solutions Pte Ltd, is currently one of only 2 compounding pharmacies in Singapore. It blends and produces individualised medication for the patient upon prescription. The ability to produce individualized preparations and medication in terms of drugs, hormones and nutritional supplements allows the Company to deliver better customised patient care to enhance their health and wellbeing according to their specific needs.

The acquisition also serves to support PacHealth’s specialist doctors especially in the areas of gynaecology, plastic surgery, dermatology and dental implant surgery.

Singapore, with a population of 4.6 million, has only 2 compounding pharmacies. As such there is a large upside potential for further development of this business. The business is attractive as it is scalable and can be easily exported to the region.
